The 1-Day Event That Will Change Your Life "FOREVER"

THE RAPID ENGINEERED MIND

The 4 Components REM & 9 Ports of Life

Transform your thinking to break through old stories and beliefs and propel you forward in all areas of your life. Understand the rules, beliefs and values that are not serving you well and empower your subconscious to work for you, not against you. You'll learn how to leverage the 4 components of REM:

- ✓ **The Strategic Mental Model** - The "conditioning" phase. Leverage your personal influence, transformational vocabulary, communication, mind mapping, rules, beliefs, values and state management.
- ✓ **The Rapid Re-Engineering** - The "planning" phase, the REM Blueprint, the building block theory, pain, pleasure, principals, and passion triggers.
- ✓ **The Sphere of Influence** - The "testing" phase, pacing and leading, and the integration of the 9 Ports of Life.
- ✓ **The Vision** - The "execution" phase, strategize, plan, and benchmark the REM blueprints.

YOUR LIFE VISION ROADMAP
